

ER-11-77361,

MEMORANDUM FOR: Mr. S. J. Papich
Liaison Officer
Federal Bureau of Investigation

1. The attached is from a man whose family I've known for more than thirty years. They are a solid Catholic family who have lived in Pascagoula for generations. I have not had occasion to observe the source, [redacted] himself, but very little over the years as I really knew little of his personal reliability, stability, prejudices, etc., since his youth. (He is in his late forties.) However, I have no reason whatever for being in any way critical of him; I simply am ignorant.

2. I am also furnishing a copy of []
letter to the Director of Naval Intelligence.

3. I would appreciate any guidance as to content of my reply.

Thanks for your letter of 7 September
expressing concern about the loyalty of a
man who works at the Ingalls Shipyard.

This type of problem, of course, does
not fall within the jurisdiction of my organi-
zation. However, I have taken the liberty of
passing the information on to FBI Headquarters
and to the Navy for their attention. You may
rest assured they will check carefully into
the matter.

It was good to hear from you again after
so many years.

With best wishes,

Sincerely,

SIGNED
